**With your help we can do more**

The H100 Latina Giving Circle at the **Texas Women's Foundation** further engages Latinos in philanthropy and expands resources for local organizations whose mission is to empower, educate and support Latinas.

A gift to the H100 Latina Giving Circle supports programs for Hispanic women and girls in low and moderate income communities. Our Latina Giving Circle Committee reviews and vets each application to ensure the grants are awarded to the organizations making the biggest impact.
